

STATE OF WASHINGTON  
**OFFICE OF THE LIEUTENANT GOVERNOR**  
**Cyrus Habib**

Greetings from Lieutenant Governor Cyrus Habib

It is my pleasure to welcome you to the Holi- Festival of Colors!

While we experience India's unique culture through music, dance, and vibrant colors, let us be reminded of the significance of the Holi- Festival of Colors. In addition to signifying the arrival of spring, Holi represents the power of truth in the triumph of good over evil and the colors represent the diverse forces in life. An environment where everyone is equal is produced by the colors dissolving the differences among us. Above all else, the festival fosters a spirit of unity. May the spirit of comradery and harmony transcend this festival and be embraced by all Washingtonians.

Thank you to Marymoor Park for hosting this event, and to the Vedic Cultural Center and International Society for Krishna Consciousness for organizing this festival in our region. This festival is a tribute to the diverse peoples and cultures throughout Washington State.

I wish you all the best!

Sincerely,
